This statement covers the Chain-of-Custody only, and is only valid for the above mentioned system and processes. It does not apply to the products themselves nor does it imply any endorsement by SGS of any particular timber source verification programme per se. SGS does not verify and will not accept any responsibility for the legal origin of the products or compliance of the Company with any relevant laws and regulations. The Company shall abstain from using this Statement or any part thereof in a way that suggests otherwise. The relevant Generic Chain-of-Custody Verification criteria may be consulted at the Company's premises or inquired from info.zh@sgs.com.

This statement remains the property of SGS and shall be returned upon request.

Rougier Afrique International
